

2nd June 2017

Dear Member Countries of the World Federation of Rose Societies,

I have great pleasure to advise you that registration for the 18th World Rose Convention 2018, goes live on Thursday 15th June 2017.

Copenhagen is the most fitting location to celebrate the World Federation of Rose Societies golden anniversary. Rich in formal architectural magnificence, with elegant Royal Palaces, and enchanting canals, it is home to some of the world's finest gardens. Many of these gardens contain the exquisite roses, bred by the great dynasty of the Danish Poulsen family. In essence, this splendid city is likened to a theatrical set, and will become centre stage for 'A Fairytale of Roses 2018'.

Please come and join us to celebrate at this very historical event, which will also mark the 25th Anniversary of the Danish Rose Society.

During the proceedings, the Federation's gorgeous anniversary rose will be baptized, amid the spectacular vivid roses and heavy scents, that encompass Valby Park.

The 18th World Convention will be the greatest celebration of roses ever!

'Early Bird' discount will be available. Simply log on: www.wrc2018.dk

With Kind Regards,

Derek
